# Chabad Richmond Cteen Junior 2022-23 Program Details:

You spoke, we heard a need, we listened. We have put in countless hours to create a fantastic, educational program for our grades 6, 7 and 8. Welcome to Cteen Junior! At Cteen Junior the students will experience community service, guest speakers, trips and hands on learning that is relevant to grade 6-8 Jewish youth. Our goal is to empower them as leaders and givers to the Jewish community and society in general.

A standard session would include 15 minutes of meaningful prayer, an engaging 30 - 40 minute lesson or guest speaker and one of the activities listed below. On the weeks that the activity takes the entire session we will skip the lesson. Schedules for a few weeks at a time will be posted as they become available.

We are looking for parents (or others) to volunteer with driving and chaperoning some of the trips. Please let us know if you are available to do this mitzvah. We are also happy to receive parent/ student feedback and suggestions to help make this program top notch, where the cteen junior's will be so excited to be apart of.
